

Self, Social Structure, And Beliefs: Explorations In Sociology

by Jeffrey C Alexander; Gary T Marx; Christine L. Williams

Teacher, scholar, and leader, Neil Smelser stands as an iconic figure in sociology in the second half of the twentieth century. The essays in this volume, written by Jeffrey C. Alexander, Gary T. Marx, and Christine L. Williams, explore the relationship between the self, social structure, and beliefs. The volume is a collection of essays that provide a strategic view of unionized ethnic-minority faculty holdings and the sociological thought of Neil J. Smelser. The essays are edited by Jeffrey C. Alexander, Gary T. Marx, and Christine L. Williams. The volume is available in PDF format and can be accessed at <http://sociology.nd.edu/faculty/all/spillman-lyn/index.shtml>. The volume is published by the University of California Press and is available in paperback and eBook formats. The volume is a valuable resource for students and scholars of sociology.
