

Libraries Within The Library: The Origins Of The British Library's Printed Collections

by Giles Mandelbrote; Barry Taylor

The British Library's roots lie in the report of the National Libraries Committee. The Museums Department of Printed Books was founded in 1753, the year of the acquisition of a more comprehensive collection of Russian books than libraries in Moscow. Among the many insights that emerge from *Libraries within the Library: The Origins of the British Library's Printed Collections*—an absorbing account of the origins of the British Library's printed collections—by Giles Mandelbrote (Editor), Professor Barry Taylor (Editor), ISBN 9780712350358, available at [Book .
