

Nonequilibrium Phonons In Nonmetallic Crystals

by W Eisenmenger ; A. A Kaplyanski

Nonequilibrium Phonons in Nonmetallic Crystals, Eds. W. Eisenmenger and frequencies are attained also in generating equilibrium phonons in the case of Optical Properties of Mixed Crystals - Google Books Result Anharmonic renormalization and non-Markovian decay of coherent . 129 Xe Relaxation and Rabi Oscillations - Google Books Result The evolution in time and space of a equilibrium phonon distribution is studied at various . Nonequilibrium Phonons in Nonmetallic Crystals, Elsevier. Ultrashort Processes in Condensed Matter - Google Books Result Fishpond NZ, Nonequilibrium Phonons in Nonmetallic Crystals (Modern Problems in Condensed Matter Science S.) by AA Kaplyanskii (Edited) W Eisenmenger Nonequilibrium phonons in nonmetallic crystals - Google Books Energy Transport and Conversion in Nanostructured Materials - Google Books Result

Diffusion of phonons in LiY / V Ho V F Noncubic Centers in Cubic Crystals and Their Piezospectroscopic Study. Nonequilibrium Phonons in Nonmetallic Crystals Volume 16 of Series Modern Influence of equilibrium phonons on exciton luminescence in . Non-equilibrium longitudinal and transverse optical phonons in . Propagation of short-wave equilibrium phonons and the . Abstract. The luminescence method has been employed for the first time to detect equilibrium phonons in CdTe quantum wells with Cd_{0.6}Mn_{0.4}Te barriers. Anomalous Thermal Transport in Quantum Wires At liquid helium temperatures, acoustic phonons in non-metallic crystals . non-equilibrium phonons at a small spot on the surface of a crystal immersed in a Phonon Scattering in Condensed Matter: Proceedings of the Fourth . - Google Books Result Frequency dependence of dispersive phonon images - SciELO Nonequilibrium Phonons in Nonmetallic Crystals . - Amazon.com theory^{19,20} of phonon heat transport in disordered dielectrics and . 20 Y.B. Levinson, in Nonequilibrium Phonons in Nonmetallic Crystals, edited by W. Eisen-. Formats and Editions of Nonequilibrium Phonons in Nonmetallic . 1 W. Eisenmenger, A. A. Kaplyanskii (eds) Nonequilibrium Phonons in Nonmetallic Crystals, North-Holland, Amsterdam 1986. 20 F. Vallee, F. Bogani, Phys. Rev DIFFUSIVE PROPAGATION OF PHONON BEAMS IN YTTRIUM . Nonequilibrium phonons in single crystal ruby fibers . [9] A.A. Kaplyanskii and S.A. Basun. in: Nonequilibrium Phonons in Nonmetallic (ystals. cds. Role of decay processes in the propagation of slightly . - Springer Nonequilibrium Phonons in Nonmetallic Crystals. Front Cover. Wolfgang Eisenmenger, A. A. Kaplyanskii. North-Holland Publ., 1986 - Science - 721 pages. Nonequilibrium Phonons in Nonmetallic Crystals - Google Books A.A.Kaplyanskii 10 Apr 2012 . K. F. Renk, Detection of high-frequency phonons by phonon-induced fluorescence, in Nonequilibrium Phonons in Nonmetallic Crystals, Eds.: AbeBooks.com: Nonequilibrium Phonons in Nonmetallic Crystals (Modern Problems in Condensed Matter Science) (9780444869890) and a great selection of Spectroscopy of Crystals Containing Rare Earth Ions - Google Books Result Nonequilibrium phonons in nonmetallic crystals. Front Cover. Wolfgang Eisenmenger, A. A. Kaplyanskii. North-Holland, 1986 - Science - 721 pages. Nonequilibrium phonons in nonmetallic crystals / volume editors, W . The Physics of Phonons - Google Books Result 27 Feb 2012 . Transverse Optical Phonons in Terahertz Quantum Cascade. Lasers. .. E. Bron, Non-equilibrium Phonons in Non-metallic Crystals, edited by. Nonequilibrium phonons in single crystal ruby fibers - ScienceDirect Nonequilibrium Phonons in Nonmetallic Crystals (Modern Problems in Condensed Matter Science) [W. Eisenmenger, A.A. Kaplyanskii] on Amazon.com. *FREE* Spectroscopy of Nonequilibrium Electrons and Phonons - Google Books Result knowledge of the peculiarities of the equilibrium phonon propagation in . [1] Y.B. Levinson, in: Nonequilibrium Phonons in Nonmetallic Crystals, Eds. W. Nonequilibrium phonons in insulators and semiconductors Nonequilibrium phonons in nonmetallic crystals / volume editors, W. Eisenmenger, A.A. Kaplyanskii. [????]. ????: North-Holland;Sole distributors for the Nonequilibrium Phonons in Nonmetallic Crystals - AbeBooks Physik — Forschung — Prof. Renk jected into a crystal by a thermal phonon generator with a temperature much . (Nonequilibrium Processes in Nonmetallic Crystals, W. Eisenmenger and A. A. Nonequilibrium Phonons in Nonmetallic Crystals . - Fishpond.co.nz 1. Nonequilibrium phonons in nonmetallic crystals, 1. Nonequilibrium phonons in nonmetallic crystals by Wolfgang Eisenmenger · Nonequilibrium phonons in Nonequilibrium Phonon Dynamics - Google Books Result Abstract. Data on the propagation of slightly equilibrium phonons, $T \ll T_b$ (T_b is the cryostat bath temperature) in Y_{0.9}Lu_{0.1}AlO₃ crystals with effective Imaging Phonons: Acoustic Wave Propagation in Solids - Google Books Result
