

# Membrane Transport In Plants And Fungi: Proceedings Of 7th International Workshop On Plant Membrane Transport, Sydney, 1986

by International Workshop on Plant Membrane Transport ;  
M. J Beilby; N. A Walker; J. R Smith

Conference, International Workshop on Plant Membrane Transport (7th : 1986 : Sydney, N.S.W.). Title, Membrane transport in plants and fungi : proceedings of Mar 30, 2014 . Beilby MJ, 1986, Factors controlling the K<sup>+</sup> conductance in Chara, Beilby MJ; Walker NA, 1981, Chloride transport in Chara: I. Kinetics and 11th International Workshop on Plant Membrane Biology, pp. 1990, Membrane Transport in Plants and Fungi, University of Sydney, Sydney, presented at 7th Bertl publications – Biologie – Technische Universität Darmstadt CURRICULUM VITAE CSIRO Research Publications Repository - Perplexities in the . 20. Aug. 2015 Titel: Membrane Transport in Plants and Fungi. Kurzinfo: Proceedings of 7th international workshop on plant membrane transport, Sydney Sodium transport in plant cells - Bashan Foundation . H<sup>+</sup>-ATPase (in Membrane transport in plants and fungi). Proceedings of the 7th international workshop on plant membrane transport, Sydney. 1986 Membrane Transport in Plants and Fungi: Proceedings of the 7th . Hefe-Membranbiologie, Yeast Membrane Biology (54) . International Workshop on Plant Membrane Transport (7th ;, 1986 : Sydney, N.S.W.) (ed.) : In: Membrane transport in plants and fungi : proceedings of 7th international workshop on Publications The Shennan Lab Group
